The community offers access to a great golf course and swimming pool. Walking/Greens Fees for the Golf Course and Pool Memberships are free to all Stone Creek Cove HOA Developed Residents and all members living in the same household, as this is included as an amenity in the HOA dues. About SCC Golf Course

Stone Creek Cove Golf Course is a challenging 9-hole course with five sets of tees (2 for Men, 2 for Women, and 1 for Seniors) to maximize playing 18 holes. The course is a semi-private course that is OPEN TO THE PUBLIC. Memberships are also available to the public.

The course was built in 1971. When playing 18 holes from the Men’s tees, the course is a PAR 70 measuring 5,279 yards. The course offers a challenging game for the avid golfer and also a great place to learn the game of golf. Since July 2009, fertilization and a focused maintenance plan have resulted in much-improved playing conditions. The Stone Creek Cove Homeowner’s Association owns and manages the course.

About SCC Swimming Pool

Stone Creek Cove’s swimming pool is one of the largest pools in the Upstate. The SCC Pool is open from Memorial Day through Labor Day each year. We also offer Water Aerobic Sessions FREE for all pool members. While the pool is part of the SCCHOA, memberships to the public are available for a nominal, annual fee.

In 2021, the pool was completely reconstructed with new cement and a white marble aggregate plaster pool finish on the walls and bottom. In 2022, we resurfaced the pool concrete deck and coping to a new texture finish in a light sand color. You won’t believe the difference!

The Local @ SCC Club House

Stone Creek Cove’s Club House’s current tenant, The Local, serves the community, guests, and boaters all year with an excellent menu of dishes and drinks that come mostly from local businesses. Be sure to visit after playing a round of golf or order while sun-bathing at the pool.
